INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees Jazz at Aspen - Snowmass Aspen, Colorado

Report on the Financial Statements

We have audited the accompanying financial statements of Jazz at Aspen - Snowmass, which comprise the statement of financial position as of December 31, 2020, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Member: American Institute of Certified Public Accountants

Paul J. Backes, CPA, CGMA MICHAEL N. JENKINS, CA, CPA, CGMA DANIEL R. CUDAHY, CPA, CGMA AVON: (970) 845-8800 ASPEN: (970) 544-3996 FRISCO: (970) 668-348 I

Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Jazz at Aspen - Snowmass as of December 31, 2020, and the changes in its net assets, functional expenses and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matter

As discussed in Note 17 to the financial statements, Jazz at Aspen - Snowmass adopted Accounting Standards Update 2014-09, *Revenue from Contracts with Customers* ("ASU 2014-09"), and all subsequent amendments, in 2020. Our opinion is not modified with respect to this matter.

Report on Summarized Comparative Information

We have previously audited Jazz at Aspen - Snowmass's 2019 financial statements and, in our report dated November 7, 2020, we expressed an unmodified opinion on those financial statements. In our opinion, the summarized comparative information presented herein as of and for the year ended December 31, 2020, is consistent, in all material respects, with the audited financial statements from which is has been derived.

1. Organization

Jazz at Aspen - Snowmass ("JAS") was incorporated October 26, 1992, as a Colorado nonprofit corporation. It is dedicated to the preservation and presentation of jazz, American and popular music through world class festivals, performances and educational programs. JAS fulfills its mission by focusing efforts in the following program areas:

Educational Programs – Educational programs provide direct financial support to local public schools in the Roaring Fork Valley by complementing existing public school music programs. The goal is to ensure that these schools maintain band and music programs in their curriculum. JAS supports these programs through providing the following: instrument donations; in-schools faculty assistance; scholarships; pay to play private lesson support; tickets for teachers; beat lab; summer jazz camps; alliance with Berklee College of Music and summer scholarships, and sponsorship of the JAS Honor Jazz Program.

JAS Academy – The JAS Academy brings young musicians from around the world, at various points in their early music careers to Aspen, Colorado to provide a real-life musician education from various current day performers such as multi-Grammy award winning, and JAS Academy Artistic Director, Christian McBride. A partnership has been created with The University of Miami's Frost School of Music to provide this Program. This Program has been underwritten by Ed Bass.

June and Labor Day Festivals – The festivals expose and educate audiences through world class artist performances of a wide variety of genres including jazz, pop, soul, r 'n b, funk and world music. The June JAS Experience is presented at several intimate venues in downtown Aspen, Colorado; the JAS Labor Day Experience, presented at Snowmass Town Park with its daily capacity of 10,000 since 1996.

JAS Café – The JAS Café program includes world-renowned artists who perform jazz in a wide variety of instrumental and vocal settings across three different intimate venues in downtown Aspen. This Mission program of JAS helps ensure we build a future audience for jazz and related forms of music, ensuring the survival of this American music form. Through the support of the JAS National Council, JAS can provide extremely affordable tickets, often as inexpensive as \$35, to assure a diverse audience is able to attend. The world class Artists, a combination of Grammy winning veterans and up and coming stars, routinely perform to sold out houses. The intimate setting and high quality of the JAS Café performances has helped develop a new group of JAS National Council members, whose support is critical to the ongoing JAS Café series.

Free Series – The Snowmass Village Summer of Free Music Series, which JAS has programmed for over twenty years, offers the widest cross section of residents and visitors to the Roaring Fork Valley ("RFV") a chance to enjoy great music in a family friendly setting that attracts all segments of the community. JAS' knowledge of and expertise in the negotiation of artist agreements has helped this series attract a huge following over the years and is one of JAS' many contributions to the RFV.

2. Summary of Significant Accounting Policies

A. Basis of Accounting

These financial statements have been prepared on the accrual basis of accounting, which recognizes revenues when earned and expenses when incurred.

B. Cash and Cash Equivalents

JAS considers all checking, savings, and money market accounts, as well as all liquid investments with a maturity of three months or less when purchased, to be cash equivalents for purposes of the Statement of Cash Flows.

2. Summary of Significant Accounting Policies (continued)

C. Investments

JAS maintains one brokerage account to accept noncash investment donations. The policy of JAS is to liquidate the investments within one month of receipt and transfer the proceeds to operating accounts.

D. Promises to Give

Written and documented promises to give, less an allowance for uncollectible amounts, are recognized when a donor makes an unconditional promise to give to JAS. All donor-restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, or is satisfied, net assets with donor restrictions are reclassified to net assets without donor restrictions. Promises to give are recorded at net realizable value if expected to be collected in one year and at fair value if expected to be collected in more than one year. JAS had \$0 outstanding promises to give as of December 31, 2020.

E. Allowance for Doubtful Accounts

JAS uses the allowance method for recognition of uncollectible receivables, whereby an allowance is established when collectability becomes doubtful. No allowance for doubtful accounts was required at December 31, 2020.

F. Inventory

Inventories, which consist primarily of left-over festival concessions, are valued at the lower of cost or market. Cost is determined on the first-in, first-out method. Donated items are recorded at estimated fair value at the date of donation.

G. Fixed Assets and Depreciation

Fixed assets are defined by JAS as assets with an initial cost of \$5,000 or more and an estimated useful life in excess of one year. As previously described, donated fixed assets are recorded at fair market value when received. Purchased fixed assets are recorded at historical cost.

Leasehold improvements (i.e., corporate office) are depreciated using the straight-line method over the estimated useful life of 39 years as opposed to the lease term as it is reasonably expected that JAS will remain the current office space as that space is owned by the City of Aspen and dedicated for use by local not for profit organizations.

Fixed assets are depreciated using the straight-line method over the following estimated useful lives:

	Estimated
Asset Class	Useful Lives
Leasehold improvements	39 years
Furniture and equipment	3 - 15 years

2. Summary of Significant Accounting Policies (continued)

H. Beneficial Interest – Aspen Valley Community Foundation

JAS has contributed a total of \$67,090 to the Aspen Valley Community Foundation ("AVCF") to create two funds for the benefit of JAS. As part of the agreement, JAS conveyed variance power over these funds to the Board of Directors of AVCF. Since inception, a total of \$61,500 has been distributed from these funds for scholarships and grants benefiting various recipients. The value of the fund as of December 31, 2020, (including earnings and fees) was \$14,001.

I. Deferred revenue

Deferred revenue consists of sponsorships, tickets and other earned revenues received in advance.

J. Support and Revenue Recognition

Contributions of cash and other assets are reported as with donor or grantor restriction if they are received with donor or grantor stipulations that limit or specify the use of the donated assets, whether by time, period, or purpose. When a donor or grantor restriction expires – that is, when a stipulated time restriction ends or the stated purpose restriction is accomplished – donor/grantor restricted net assets are reclassified to net assets without donor restriction and reported in the Statement of Activities as net assets released from restrictions. Contributions with donor restriction received and released from restrictions within the same fiscal year are reported as contributions without donor restriction.

Contributions are recognized when cash, securities or other assets, an unconditional promises to give, or notification of a beneficial interest is received. Unconditional promises to give expected to be collected within one year are reflected as current contributions and are recorded at their net realizable value. Unconditional promises to give expected to be collected in future years are initially recorded at fair value using present value techniques incorporating risk-adjusted discount rates designed to reflect the assumptions market participants would use in pricing the asset. In subsequent years, amortization of the discounts is included in contribution revenue in the Statement of Activities. Conditional promises to give are not recognized until the conditions on which they depend have been substantially met.

Non-monetary contributions of goods and services are recorded at their fair values in the period received. JAS primarily receives in-kind contributions that consist of donated services, contributed beverages, travel and lodging, and equipment leases. Donated services are recorded at their fair values in the period received, provided that such services either create or enhance non-financial assets or the services are considered "professional" services which would otherwise be required to purchase. Donated fixed assets are recorded at fair value when received and reflected in these financial statements as contribution revenue and an addition to fixed assets. Nonmonetary donations are recognized as revenue and offsetting expense or asset, depending on the nature of such support received.

2. Summary of Significant Accounting Policies (continued)

J. Support and Revenue Recognition (continued)

JAS receives marketing services, lodging, food and beverage, and other volunteer services in exchange for program tickets. JAS uses the face value of tickets exchanged for determining the fair value of these transactions to be recorded in the financial statements.

JAS also derives revenues from sponsorships, event tickets, and tuition within the fiscal year in which the related events or educational services are provided. JAS may receive program funding from various governmental or corporate sources in exchange for an equivalent benefit in return. Revenues from such exchange transactions are recognized as related costs to the program. Event concession and merchandise sales are recognized at a point in time when goods are transferred to the customer.

K. Income Taxes

JAS is a non-profit public organization as described in Section 501(c)(3) of the Internal Revenue Code and is thus exempt from federal and state income taxes on income which is directly related to its organizational purpose. Unrelated business income is income derived from a trade or business by the exempt organization that is not substantially related to the performance of the organization's exempt purpose or function. For the year ended December 31, 2020, JAS had no unrelated business income. JAS' Federal information returns are no longer subject to examination for tax years prior to fiscal year 2017.

L. Functional Allocation of Expenses

The financial statements report certain categories of expenses that are attributable to one or more program or supporting functions of JAS. These expenses include depreciation, certain personnel salaries and benefits, information technology, and utilities. Depreciation is allocated based on use of assets and location of assets. Salaries and benefits are allocated based on position or time spent on each function. Information technology is allocated based on time spent and specific technology utilized.

M. Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Actual results could differ from those estimates.

N. Advertising and Marketing Costs

JAS expenses all marketing and advertising costs as incurred. Total marketing and advertising costs for the year ended December 31, 2020, was \$139,312.

2. Summary of Significant Accounting Policies (continued)

O. Method used for Allocation of Expenses

The costs of program and supporting services activities have been summarized on a functional basis in the statement of activities. The statement of functional expenses presents the natural classification detail of expenses by function. Accordingly, certain costs have been allocated among the program and supporting services benefited based on time spent.

P. Basis of Presentation and Net Assets

JAS reports information regarding its financial position and activities based on the existence or absence of donor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Without Donor Restrictions – Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions.

With Donor Restrictions – Net assets subject to restrictions imposed by donors or grantors. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires; that is, when the stipulated time has lapsed, when the stipulated purpose for which the resources was restricted has been fulfilled, or both.

Q. Prior Year Comparative Information

The consolidated financial statements include certain prior year summarized, comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with generally accepted accounting principles. Accordingly, such information should be read in conjunction with JAS' financial statements for the year ended December 31, 2019, from which the summarized information was derived.

R. Subsequent Events

Management has evaluated potential subsequent events prior to November 4, 2021, any such events have been included in these financial statements.

3. Fair Value Measurement

Investments are reported on the financial statements at fair market value. Net investment gain/(loss) reported in the Statement of Activities consists of interest and dividend income received, as well as both realized and unrealized gains and losses. Investment income is considered to be without restrictions unless the earnings are restricted, either as to purpose or time period, by the donor of the original contribution.

3. Fair Value Measurement (continued)

Generally accepted accounting principles require that financial assets be valued at "fair value", determined through application of a three-tiered hierarchy of input levels. Financial assets valued using level 1 inputs are based on unadjusted quoted market prices within active markets. Financial assets valued using level 2 inputs are based primarily on quoted prices for similar assets in active or inactive markets. Financial assets valued using level 3 inputs are based on the best information available in circumstances where markets are non-existent or illiquid.

The fair values of JAS' investments measured on a recurring basis at December 31, 2020, are as follows:

	Fair Value Measurements at Reporting Date Using					
	Total		Quoted Prices In Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	
Beneficial Interest in AVCF	\$	14,001		-	14,001	
Total	\$	14,001		-	14,001	

JAS measures its beneficial interest in AVCF based on statements provided by AVCF.

JAS' investment income for the year ended December 31, 2020, is summarized as follows:

	Without Donor Restrictions		With Donor Restrictions	Total
Interest and dividend income Realized gains (losses)	\$	675 (1,016)	-	675 (1,016)
Net investment income (loss)	\$	(341)		(341)

4. Fixed Assets

Detail of JAS' fixed assets for the year ended December 31, 2020, are as follows:

Asset Class	Beginning Balance	Additions	Deletions	Balance at Year End
Construction in progress	\$ 6,750	11,080	-	17,830
Leasehold Improvements	95,911	-	-	95,911
Furniture, fixtures and equipment	498,622	-	-	498,622
Less: accumulated depreciation	(271,428)	(76,713)		(348,141)
Net Fixed Assets	\$ 329,855	(65,633)		264,222

5. Loans Payable

PPP Loan 1 – In April 2020, JAS executed a promissory note with Alpine Bank, under the United States Small Business Administration's Paycheck Protection Program, in the amount of \$137,000 (the "PPP Loan 1"). The PPP Loan 1, which was unsecured and bear interest at 1% per annum, would have matured in April 2022. No payments were due for the first six months of the Ioan term. The PPP Loan 1 and related interest were forgivable provided JAS used the proceeds for qualified purposes within the timeframe prescribed by the Payroll Protection Program. In January 2021, the Small Business Administration had forgiven the full \$137,000 of the PPP Loan 1, which was recognized as income to JAS in 2020 when the qualifying expenses were incurred.

SBA Loan – In June 2020, JAS executed a secured disaster loan with the United States Small Business Administration in the amount of \$150,000 (the "SBA Loan"). The SBA Loan, which is secured by all of JAS' tangible and intangible personal property and bears interest at 2.75% per annum, matures in June 2050. The SBA Loan proceeds are to be used solely as working capital to alleviate economic injury caused by disaster occurring in January 2020 and continuing thereafter. Under the loan terms, all of JAS' tangible and intangible personal property are collateral, and JAS is required to obtain and itemize receipts and contracts for all loan funds spent to submit to SBA whenever requested. No payments were due for the first twelve months. In 2021, the SBA extended the deferral period, so no payments are due for the first 24 months.

Year Ended	Principal		Interest		 Total
2021	\$	-	\$	-	\$ -
2022		-		4,487	4,487
2023		-		7,692	7,692
2024		1,297		6,395	7,692
2025		3,649		4,043	7,692
2026 - 2030		19,814		18,646	38,460
2031 - 2035		22,732		15,728	38,460
2036 - 2040		26,073		12,387	38,460
2041 - 2045		29,922		8,538	38,460
2046 - 2050		46,513		3,933	50,446
Total	\$	150,000	\$	81,849	\$ 231,849

Annual debt service requirements to maturity are as follows:

6. Classification of Net Assets and Net Assets Released from Restriction

During the year ended December 31, 2020, the following assets were released from restriction:

Purpose restrictions accomplished:

JAS Center	\$ 55,965
Total restrictions released	\$ 55,965

6. Classification of Net Assets and Net Assets Released from Restriction (continued)

At December 31, 2020, JAS had the following net assets both without donor restrictions and with donor restrictions:

Without donor restrictions:	
Undesignated	\$ 1,189,881
Invested in property and equipment, net of debt	264,222
Total net assets without donor restrictions	1,454,103
With donor restrictions:	
Purpose restrictions:	
JAS Center	292,950
JAS Academy	540,000
Scholarship program	15,000
June Experience	3,200
Education programs	40,000
Time-restricted for future periods:	
2021 Operations	167,310
Total net assets with donor restrictions	1,058,460
Total Net Assets	\$ 2,512,563

7. Liquidity and Availability of Resources

JAS' net assets consist of donor-restricted amounts and amounts without donor restrictions. JAS' investment policy and liquidity management is structured around short-term investments to ensure financial assets are available as general expenditures and other obligations become due. In the event of an unanticipated liquidity need, JAS could access credit.

JAS' financial assets available within one year of December 31, 2020, for general expenditures are as follows:

Cash and cash equivalents Accounts and interest receivable	\$ 3,190,347 4,339
Total	\$ 3,194,686

8. In-Kind Contributions

In-kind contributions and related expenses are included JAS' financial statements at fair market value. During the year ended December 31, 2020, JAS received the following in-kind contributions and ticket trade transactions:

	In-Kind		
Marketing services	\$	26,753	
Total	\$	26,753	

9. Revenue from Contracts with Customers

For the year ended December 31, 2020, revenue recognized for goods transferred or performance obligations met at a point in time were \$62,738. There were no revenues recognized for goods transferred or performance obligations met over time during 2020. Revenues may be affected by general economic conditions and inflationary pressures. Revenues are primarily collections from donors and local program participants.

10. Operating Leases

Red Brick Center Lease – Effective January 1, 2020, JAS renewed a one-year term lease agreement for administrative offices with the City of Aspen. The lease calls for monthly rent payments of \$2,307, and additional amounts are due for prorated utility, and parking spaces. JAS entered into another one-year lease for the 2021 calendar year calling for monthly rent payments of \$2,307.

Circle E Storage – Effective October 1, 2019, JAS renewed a one-year term lease agreement for office and warehouse storage with Circle E Property Management Company. The lease calls for monthly rent payments of \$2,013, and additional amounts are due for cam charges. JAS entered into another one-year lease effective October 1, 2020 calling for monthly rent payments of \$2,205.

Aspen Art Museum Facility – In 2020, JAS renewed a facility lease with the Aspen Art Museum to host summer programs in June through August of 2020. The lease calls for a total of \$90,000 in rental fees for twelve events at \$7,500 each. Due to the COVID-19 pandemic, JAS was credited for ten events that did not occur in 2020. JAS entered into two other leases to host summer programs in 2021 calling for a total of \$90,000 in rental fees for twelve events.

The Little Nell Facility – In 2019, JAS renewed a facility lease with The Little Nell to host winter events in December 2019 through March 2020. The lease calls for ten events at an estimated \$6,250 each. Actual fees are billed based on actual labor requirements, and food and beverage consumed. Due to the COVID-19 pandemic, JAS was credited for two events that did not occur in 2020. JAS entered into another lease to host summer events in 2021 calling for three events estimated at \$3,090 each.

11. Other Agreements

Real Estate Purchase Agreement – In July 2018, JAS entered into an agreement to purchase a commercial unit in Aspen Colorado for \$12.5 million, which would be used for a new building for JAS Café events. The contract has been extended and undergoing discussions about the possibility of either entering a multi-year lease with Option to Buy or extending the current contract. In 2018, a \$250,000 deposit was held in escrow by the Land Title Company in relation to the building purchase agreement and is included in deposits in the accompanying statement of financial position.

Town of Snowmass Village – On April 8, 2018, JAS entered into an agreement with the Town of Snowmass Village to produce the 2018 - 2020 three-day concert festival and club concerts over the Labor Day weekend. Pursuant to the agreement, the Town of Snowmass Village will contribute \$150,000 per year to JAS. Due to the COVID-19 pandemic, the 2020 Labor Day Festival was cancelled. In 2021, the agreement was amended to transfer the Town of Snowmass Village's requirement to contribute \$150,000 from 2020 to 2021. Unless extended, the amended agreement will terminate on September 15, 2021.

Consulting and Production Services Agreement – On December 1, 2016, JAS renewed a consulting agreement with a production and promotion company (the "Promoter") to provide consulting and other related services for the Labor Day festival that JAS produces. The terms of the agreement shall continue for six years through December 1, 2022, and the Promoter may extend the initial term for one additional five-year option at its sole discretion.

Services to be provided by the Promoter include assisting in the procurement of headlining talent and sponsorships, review and advising on the annual budgets, obtaining the best pricing for production elements, marketing, food and beverage consulting, and providing ticketing and production services. In consideration for the services, JAS is required to pay the Promoter each year an amount equal to \$250,000 increasing by 3.5% starting with the 2018 festival (fixed fee), as well as the Promoter's profit share. The profit share consists of 50% of the first \$100,000 of net profits and 33% of the net profits over \$325,000.

The net profits between \$100,000 and \$325,000 are retained entirely by JAS. As defined in the agreement, the term net profit excludes most patron donations and other contributions to JAS. The Promoter is also entitled to 20% commission on the gross sponsorship fees secured through the Promoter's efforts.

During the year ended December 31, 2020, JAS paid the Promoter \$300,000 related to this agreement.

12. Life Insurance Policy

JAS maintains \$500,000 of term life insurance on a key employee. As of December 31, 2020, there was no cash surrender value on this policy.

13. Retirement Plan (SEP IRA)

Employees are generally eligible to participate in a retirement and savings plan that qualifies under Section 408(k) of the Internal Revenue Code, a simplified employee pension individual retirement arrangement (SEP IRA). At the discretion of the Board of Directors, JAS contributes the equivalent of 2% of each employee's earnings. JAS' contribution is 100% vested at time of contribution. The Board elected to not make contributions to the plan for the year ended December 31, 2020.

14. Related Party Transactions

Throughout the year, members of the Board of Directors of JAS have various transactions with JAS. These transactions represent pledges, contributions, Board member dues, ticket purchases and other transactions that are consistent with transactions with other donors/patrons of JAS. These transactions represent a concentration that may adversely affect JAS if events were to occur that caused a significant decline in Board member financial support.

15. Concentrations of Credit Risk

The Federal Deposit Insurance Corporation ("FDIC") insures up to \$250,000 per depositor at each separately chartered FDIC-member financial institution, without regard to the nature of the accounts. At December 31, 2020, \$2,799,239 of JAS' cash and cash equivalents were not covered by FDIC insurance. JAS has not experienced any losses on its cash balances and believes it is not exposed to any significant credit risk.

16. Concentrations of Revenue Sources

Over 44% of JAS total revenue (both contributed and earned) was related to its two main festivals: the June Festival and the Labor Day Festival. This signifies a concentration that may adversely affect JAS if events were to occur that affected the viability of any of these two festivals. Due to the COVID-19 pandemic, these two festivals were postponed from 2020 to 2021, but JAS continued to receive contributed revenue related to these festivals in 2020. As a local not-for-profit organization, JAS' primary purpose and source of revenues are concentrated in the Aspen-Snowmass area.

17. New Accounting Standard

Effective January 1, 2020, JAS implemented Accounting Standards Update 2014-09, *Revenue from Contracts with Customers* ("ASU 2014-09"), issued by the Financial Accounting Standards Board ("FASB"), and all subsequent amendments. ASU 2014-09 requires enhanced disclosures of JAS' revenue recognition policies. The implementation of ASU 2014-09 has been applied retrospectively to all periods presented, with no effect to net assets or previously issued financial statements.

18. Subsequent Events

Building Purchase Update – JAS continues to work closely with the Developer of the property to finalize the architectural design and layout of the proposed JAS Center. JAS and the Developer are undergoing discussions on contract modifications to either enter a multi-year lease with an Option to Buy or continue to extend the current contract. Due to the COVID-19 pandemic, no substantial progress was made in 2020. In 2021, JAS has re-engaged its public campaign for donor funding, and is in initial discussions with potential lead donors for naming various rooms at the JAS Center.

PPP Loan 2 – In March 2021, JAS executed a promissory note with Alpine Bank, under the United States Small Business Administration's Paycheck Protection Program, in the amount of \$143,433 (the "PPP Loan 2"). The PPP Loan 2, which was unsecured and bear interest at 1% per annum, would have matured in March 2026. No payments were due for the first 24 weeks of the loan term. The PPP Loan 2 and related interest were forgivable provided JAS used the proceeds for qualified purposes within the timeframe prescribed by the Payroll Protection Program. In June 2021, the Small Business Administration had forgiven the full \$143,433 of the PPP Loan 2, which is recognized as income to JAS in 2021.

18. Subsequent Events (continued)

New Fiscal Year End – Effective October 1, 2021, JAS will switch their fiscal year end to September 30. JAS will file a short period tax return for the period January 1, 2021, through September 30, 2021.
