IMPORTANT - NEW TICKET DELIVERY!

NEW THIS YEAR - JAS will implement a new delivery system for your Donor/VIP tickets. All VIP tickets will now be delivered through the JAS / AXS Mobile ID app, which will need to be downloaded to your smart phone (instructions below). Your tickets will be in the app as a QR code that will be scanned off your phone upon entry into the Donor/VIP area. **Please review the instructions below on how to retrieve your tickets and FAQ regarding the new system.** We recommend you do this as soon as you get the email notifying you that your tickets have been sent to the JAS / AXS app so you don't have any issues or they can be resolved before you get to the Experience. There is limited cell service once you get on site so please do this before you get to the site.
